Quick Assessment

U n l o c k t h e P o t e n t i a l

Will your child benefit from academic tutoring? (Quick Assessment)

Answer these questions:

Does your child struggle to independently complete homework accurately?

yes no

Does your child finish homework but then score poorly on tests and quizzes?

yes no

Does your child seem to take longer than his/her classmates to understand material?

yes no

Do you fight with your child to complete homework?

yes no

(Answering yes to more than 1 of these questions means your child may benefit from tutoring.)

Unlock the Potential

Will your child benefit from ACT/SAT test prep? (Quick Assessment)

Answer these questions:

If your child has taken a test already, is his/her score commensurate with his/her grades?

yes no

Does your child like to read for pleasure?

yes no

Does your child generally score lower than expected on standardized scores?

yes no

Is your child a slow worker?

yes no

(Answering no to the first 2 questions or yes to the last 2 questions means your child may benefit from tutoring.)
